

The Warbler
January 2005

Greetings Warblers

I am sorry to inform you that Lesley has resigned from the choir. Therefore we need to get together to see if we wish the choir to continue, and if so what we are going to do about a new leader. We don't have much time to decide what to do and practice for our next performance (Monday 7th March at Wednesbury Central Women's Guild), so I suggest we meet at Bentley on Tuesday **1st February** at our usual time of 7.30 pm.

I don't have the addresses of all the choir members, so if you know anyone who is missing from the list below, can you please let them know about our proposed meeting.

David
